The SoCo Group offers several types of Fleetwide (CFN) FuelCard combinations to give you the greatest level of security and flexibility to meet all your fuel card needs. We can combine and customize your Fleetwide cards to meet your specific requirements.

CFN Cardlock Sites Only: CFN Only cards provide the *highest level of security*. Gallon limits, fuel types, fuel times, transactions per day are strictly enforced.

CFN Cardlock with CFNnet Sites Only: Allows drivers to fuel at all CFN Cardlock & CFNnet sites. CFNnet sites do not always recognize card restrictions such as fuel type.

Fleetwide Cards: Fleetwide Cards work at all CFN Cardlock, CFNnet & Fuelman accepting sites. These cards are accepted at over 45,000 locations nationwide.

All card access types are available in:

- Single Card – by driver or vehicle
- Floating PIN – Card issued to vehicle and each driver has a unique PIN#
